ANNUAL REPORT

Office of the President
Western Baptist Bible College

Endeavoring to be a Greater Teller about the Truth

John 5:33; 14:6

PRESIDENT'S STATEMENT

To Dr. Linden Bowie our president, Dr. Jimmy L. Brown our Chairman of the Board, the Board of Trustees and all the officers, friends and alumni of Western Baptist Bible College.

It's with great honor and God's help that we are able to deliver another annual report on the activities of our school and my stewardship that you have entrusted unto me.

We are pleased to report that the 2020-2021 school year was successful because we were able to continue our mission of teaching, training, equipping and nurturing men and women for ministry as they strived for their educational pursuits and increased their learning in our certificate programs and our bachelors, masters and doctors degreed programs. Our 2021 graduation was full and open in-person for the first time in two years.

Our staff and faculty continued their labor of love by their faithful and dedicated service. They are the true heroes and backbone that draws students back each year and motivates us to continue in this great work.

Our National Alumni Association has been a great supporter throughout the year in our various programs and services. They continue to contribute financially for us to accomplish our mission and purpose.

We ask that the convention continue to support our Chairman, Dr. Brown as he gives leadership and solicit support from the convention's constituents. We thank the Board and convention members for their contributions and investing in the work of the Kingdom.

The support and prayers of the convention has allowed us to witness the 132nd opening of our school on August 25, 2022.

We are grateful to Dr. John Modest Miles and Morning Star Baptist Church family for opening their doors to a great facility for learning. The staff, faculty and students are excited about this school year.

Programs

To enhance and broaden the students learning and to give them a well-rounded education and to afford them experiences from many perspectives, the Western calendar has several programs that students are requested to attend.

Lectureship Series

The Western Baptist Bible College lectureship series is entering its seventh year after beginning in 2004. There are three lectures in the school year to invite noted scholars, theologians and noted pastors to share with the student body and community from their experiences on Missions, Christian Education and Evangelism. Due to the pandemic, all of the 2021 lectures were held virtually via Zoom.

Carolyn Ealy Lecture (Missions) The 2021 lecture was held on October 27, 2021. The Rev. Kevin McNeil was the lecturer. The theme for the lecture was *"Missions Work Outside of the Home Borders"*, Romans 15:26

John W. Williams Lecture (Christian Education) was held on February 15, 2021. Western alumnus of the Topeka/Wichita campus. The Reverend Dr. C. Richard Kirkendoll will be the keynote speaker and lecturer. He is the pastor of the Bethany Missionary Baptist Church, Wichita, Kansas. The theme was *"Learning About Christ to be Established in Him"*, Colossians 2:6-7.

I. H. Henderson Sr. & Jr. Lecture – (Evangelism) The I. H. Henderson lecture was not held due to busy time schedules and consideration of student's class time and finals preparation.

Women's History Month Observance

Retired Professor Ruby Vaughn initiated the Western Baptist Bible College Women's History Month observance in 2005. The observance is held on the last Thursday in the month of March. Women who have made contributions to the health care community were recognized and honored.

The 2021 program was held on March 29, 2021. The women recognized were Jamie Jones, Ruby Vaughn, Nayletha Suttington, Jamie Roland, Dr. Shalaunda Grav. and Opal Johnson.
